Cross Country (19/ 10/17)

On the wettest day ever some children from Year 4, 5 and 6 went to cross country at Arrowe Park. It rained and rained all day and we all thought it would be called off but it wasn't. We got soaked on our walk up to arrowe park and our shoes were full of water but it was fun.

When we saw all the children from other schools we all started to get nervous about our race.

The event started with the Year 4 girls who all did really well. Alliyah finsihed 28th in her first race.
