

As you will know we have had our Denominational Inspection this week and whilst we can't yet share the outcomes with you, we are really pleased that the Inspectors saw how wonderful our school is. The children were incredible and the inspectors commented on their fantastic behaviour and engagement. Inspectors visited lessons in every class across the school as well as speaking to pupils, staff, parents and governors. Thank you to the parents/carers who took the time to complete the online questionnaire or speak personally to the inspectors. We are very grateful. I feel truly blessed to work in such a lovely community and with such a wonderful team of people. I can absolutely promise you the staff always go above and beyond and work unbelievably hard. We are hoping to have the report before we break up for the summer and will share it with everyone as soon as we can.

School Matters!

This week in school.....

This week Nursery class have been reading 'The Very Hungry Caterpillar'. They sat and listened to the story as a group, recognised different foods from the story, role played feeding the caterpillar and made some beautiful butterfly pictures.

Foundation 1 visited our St Michael's church this week, it was the first time many of them had been inside. They took a tick-list of important things that they might see in the church, such as a crucifix and an altar. They were beautifully behaved and very respectful on their visit.

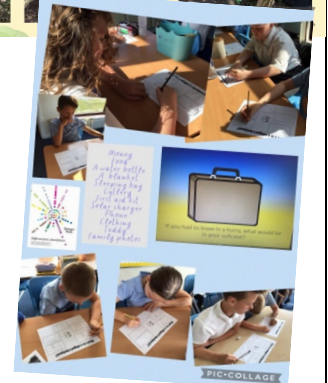

Foundation 2 have been thinking about our church family. They have explored St Michael and All Angels church and used photos from their visit to recall key features. They know that members of the church are called Christian's and have made model churches in their play.

Year 1 have had a fantastic afternoon in Forest School on Thursday.

Year 3 enjoyed lots of stories and activities with Mr Sledge to celebrate World Refugee Week.

Year 6 enjoyed working with Mr Sledge too on Thursday. They focussed on Refugee week and thought about what they might pack in an emergency. They also thought about how challenging it is to communicate in another, unfamiliar, language.

All KS2 children have really enjoyed working with a Cheshire cricket coach today.

This week in assembly we thought about the word "Commissioned" and listened to the story of Jesus sending his disciples out to spread the news of God's love. Jesus commissioned His disciples with a task and He asked them to pray that God would send more helpers. We are the helpers that Jesus asked for! Every member of the Church is sent to contribute to the mission together.

Jesus commissioned His disciples and He commissions us too – to follow His example and allow God to guide our thoughts, words and actions.

Enjoy your weekend, Mrs Ralph
