

## YEAR 6: Art and Design

### British Designers

**What I should already know:**

- Free use of play dough and salt dough
- Clay free modelling and thumb pots
- Rolling clay tiles and printing patterns on to the clay
- Soap carving using hand tools
- Recognising the contribution artists make and re-creating work using their techniques

**By the end of this unit:**

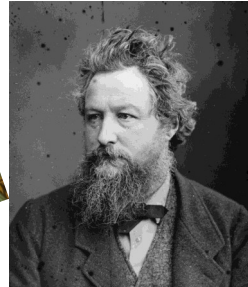

- Develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.
- Know about a great artist and designer
- Design, make and evaluate their design

**Key information**

- Know British designers, past and present, who have designed and influenced fashion, shoes, hats and household items.
- Create own designs based on the work of famous British designers.
- Know and understand that materials and colours affect the product design.
- Know that fashion styles are often revisited.
- Create their own design of a costume.
