

St Michael and All Angel's RC Primary School – Geography Curriculum

	AUTUMN 1	AUTUMN 2	SPRING 1	SPRING 2	SUMMER 1	SUMMER 2
EYFS	<p>Understanding the world Geography in the Early Years is embedded within the area of learning: Understanding the world. Children will gain an understanding of their role within their family, the wider community and the world. Describe my own immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps Begin to use geographical skills, including first-hand observation, to enhance their locational awareness Identify similarities and differences between places, drawing on my experiences and what has been read in class Model the vocabulary needed to name specific features of the natural world, both natural and manmade Understand the effect of changing seasons on the natural world around me This helps prepare them for Year 1, where they begin to look at their local environment. As well as this they begin to look at and use maps to locate countries and capitals in the UK. Early Learning Goals:</p> <ul style="list-style-type: none"> • Know about similarities and differences in relation to places, objects, materials and living things. • Talk about features of their own immediate environment and how environments might vary from one another. • Make observations of animals and plants and explain why some things occur, and talk about changes. 					
YEAR 1	<i>Aliens Crash Landing</i> Developing knowledge about the locality		<i>The United Kingdom</i> Developing knowledge about the UK			Wirral & London Understanding Geographical Similarities and Differences
