

Wow that was a warm week in school! The children have coped admirably with the hot weather. Thank you to those parents who have ensured that children have come into school with full water bottles, sun hats and sun cream on.

We are always proud of the children at St Michael's but this week Year 1 have made us extra specially proud of them! Mrs Brooks has completed a Phonics Screening Check with each individual child. This check is completed with all Year 1 pupils across the country and tests their phonic skills. They have to read 40 nonsense and real words using all the skills they have learnt during their time in F1, F2 and Year 1. We have been delighted with how hard they have all tried and I know Mrs Brooks and Mrs Smith have been so impressed with them. Well done to all our super Year 1's!

Thank you to all those parents/carers who attended the Computing Workshops with Miss Whitehead this week. It has been lovely to see everyone!

We hope you found the sessions informative as well as a lovely opportunity to work with your children.

This week in school.....

Foundation 1 have been exploring rhyme and rhyming words. It is such a tricky skill to learn but they have been working hard to listen carefully to words to work out if they do or do not rhyme.

On Wednesday, Year 1 enjoyed their story time and snack under a nice, shaded tree!

In their prayer time this week, Year 2 have been thinking about how they get ready to spend special time with Jesus in mass.

During their art lessons this term, Year 1 have been exploring the artist Paul Klee in preparation for printing in his style. They have worked really hard to create a Paul Klee style collage by cutting, gluing and sticking. Year 2 have been exploring the artist William Morris during their art skills lessons. Firstly, they sketched some of his prints, then they chose one to rotate and finally used polystyrene to draw their chosen design and rolled ink to print the final piece.

Two Year 4 children planned and led a class prayer time on humility - our value of the month. They read a bible story about John the Baptist who was a humble man. They placed a heart into the hands thinking of a time when they have shown humility by thinking of someone else first.

In today's prayer time, Year 2 thought about how they can get ready to share special time with Jesus.

Humility

Last Sunday, we marked the feast of Corpus Christi, where we celebrate the Most Holy Body and Blood of Christ. What would happen if we had no food? Or anything to drink? Together they keep us alive, and without their life-giving nourishment we would die. Jesus is the bread of life who shares himself with us in a special way during Mass. In Sunday's Gospel reading, Jesus called Himself 'the living bread', which we receive in Holy Communion (the Eucharist) at Mass, and makes not just our bodies grow strong, but our souls grow strong too!

Enjoy your weekend, Mrs Ralph
