

It has been lovely to see the Spring sunshine this week to brighten all our moods. Although it is still very cold, it is lovely to see more daylight – at last I am not coming to and going from school in the dark! The year is running away from us as we are already over the halfway point and are now heading very fast towards Easter. There are lots of important dates to be aware of, please ensure you have made a note of all the non-uniform days and other events taking place over the next few weeks. I wanted to again thank you for all the donations to the appeal for Ukraine. They were gratefully received and as always you are so generous. The news is incredibly upsetting at the moment and whilst we are remembering all those in Ukraine and those who have fled their homes in our prayers, I wanted to reassure you that the staff are exceptionally well trained in talking to the children in an age-appropriate way so as not to heighten any fears or worries they have.

Please make sure you have noted all the important events happening this half term.

GOOD LUCK MISS PURDIE... This weekend Miss Purdie finally gets married. After four cancellations due to Covid-19, we think she more than deserves a magical wedding. The children

in Foundation stage wish Miss Purdie all the luck in the world on Saturday. We hope she has the most amazing day and we will look forward to welcoming her back as Mrs Finley next week!

Congratulations to all the children who made their First Forgiveness on Tuesday evening. Fr Niall led the children in a beautiful service. It was lovely to see them all take this important next step in their faith journey. Thank you also to the Year 6 children who sang so beautifully for us.

On Tuesday, a number of our Year 4 children attended the @WirralSG Gymnastics Festival. Mr Hinds was delighted with all the children's hard work, effort and the progress they have made this year in Gymnastics. Thank you to all the parents who helped transport the children to and from the Gymnastics Club. We are

so keen for the children to have these opportunities but it is only possible when we are supported by you so thank you so much.

This week in school.....In our 2s room,
they have been exploring different farm
animals; 🐷 🐎 🐣 🐓 🐔 🐕 They have made
them some houses, and enjoyed singing
different animal songs.
Foundation 1 have been reading the book
‘Goldilocks and the three bears’. They took
part in some porridge tasting of their own.
Most children thought it was just right and
ate it all up, adding their favourite
topping.

Foundation 2 have been superheroes
this week and have been
demonstrating kindness which is their
superpower! They have thought
about how they can make the world a
better place by sharing kindness with
others.

Year 2 have been learning
that God always forgives
us. “I can trust that God
will always forgive me.”

Year 3 have been completing
artwork in computing. They have been using
ipastels to recreate artwork by Hokusai.

Y5 have enjoyed carving sculptures into soap of
Ancient Greek Gods.

Year 6 have been playing Kinball in PE which looks like lots of fun!

 learning time.

All classes are collecting
 copper coins for the Caritas
 Good Shepherd Appeal
 during Lent. If you have any
 unwanted copper coins at
 home, please send them into
 school with your child.
 Which class will fill their
 bucket first? Thank you for
 your continued support!

This week in assembly we have been thinking about the journey
of Lent and how Lent is a time to look to ourselves and think how
we behave. We can make good changes that help us to get closer
to God. We read the Gospel story of the 40 days that Jesus spent
in the desert and learnt how he never gave into temptation when
there. We thought about how temptations are often about what
we want rather than what we need. Jesus trusted God to give
Him what He needed and to look after Him. We too can trust God
to give us what we need and to look after us too!

Enjoy your weekend, Mrs Ralph
