Please come and support our BINGO

Night tonight which has been organised by the School Council. It starts at 7pm and promises to be good fun! We have lots of wonderful prizes.

Congratulations to the Year 3 children who made their First Forgiveness on Tuesday night. It was a lovely service and we are incredibly proud of all the children who took part.

Congratulations to the Year 4

children who represented our school at the School Games Merseyside Gymnastics Finals. They demonstrated amazing skill and talent.

Our value for March is HONESTY.

Thank you to Foundation 2 for creating our whole school value display focusing on HONESTY.

Foundation 2

visited Church Farm this week and had a wonderful time meeting the animals and learning about

farm life. Thank you to all the parent helpers who made the trip possible.

Year 4

have had lots of messy fun during their art day. They have designed and created their very own Tudor houses and the finished products are amazing!

PERSONAL HYGIENE

Over the last few weeks, school have been following Government and Public Health advice. We have been emphasising the importance of personal hygiene especially washing hands more; and the catch it, bin it, kill it strategy for those with coughs and sneezes. Please reinforce these expectations at home with your children.

Public Health England recommends that in addition to handwashing before eating, and after coughing and sneezing, everyone should also wash hands after using toilets and travelling on public transport.

How to wash your hands properly

Wash your hands more often for 20 seconds with soap and hot water. There is a useful short NHS film you can watch for guidance:

There is also a useful NHS handwashing song that can be found on YOUTUBE and taught to young children.

If you ever have any concerns or worries, do not hesitate to speak to your child's class teacher, Mrs Young, Mrs Bennison or myself. Enjoy your weekend, Mrs Ralph
