

*Coming together is a beginning;
keeping together is progress;
working together is success.*

It's been a slightly shorter week which has meant it has passed by even quicker! This week I have had the privilege of visiting classes across the school to observe learning. I am so impressed with how well the children have settled into the new rules and routines of their classes. I was particularly proud of our Year 3's who have settled so well into KS2.

Week beginning 26th September – Harvest donations for Wirral Foodbank

Week beginning 26th September – Year 4 continue to go swimming each afternoon

FLU Immunisation Programme – Please ensure you have completed the Flu Immunisation CONSENT form which was sent out electronically to parents emails.

PARENT MEETINGS – On the 18th and 19th October, we will be hosting our Autumn Term Parent Meetings. We will return to holding these in person in school. It is important that you take the opportunity to come and see your child's class teacher as they will be able to let you know how they have settled into their new class as well as how they are doing academically. This is a vital opportunity for you to share any worries or concerns you have.

Encouraging our pupils to be leaders in school is very important. If you follow us on Twitter, you will have seen the photographs of our school council elections.

Our school councillors have now all been fairly elected and they, alongside our Eco Warriors and our Value Ambassadors, are very important Pupil Leaders in our school. Congratulations to all the children.

Head Boy and Head Girl – Minnie & Scott

School Councillors – Bobby, Melissa, Lily, Zach, Ruby, Leo, Emily, Ben, Isla, Charlie, William, Sicily & Charlie

Value Ambassadors – Kyle, Tanisha, Leah, Olivia, Isaac, Oliver, Theo, Olivia &

ATTENDANCE – We have had a positive start to the year with good attendance and we really hope this continues. It is vital for children to be in school during these first few weeks in the school year as they settle and establish themselves into new classes and learn new rules. Mrs Champney in the school office will follow up on any absent children. Please ensure you phone the school office to give a reason for absence every day they are off.

If you have still not returned your child's DATA form please do so asap so we can check that the details on our school systems are up to date.

It's lovely to see the children working hard in school and enjoying their new classes. Please remember to keep up dated via our Facebook and Twitter pages. Year 1 read the story 'The Looking Book' in their RE lesson. After sharing the story, they put on their "lookers" and

ventured outside to find some of God's beautiful creations.

Year 4 led a class Prayer and Liturgy together thinking about love. They listened to the story of Moses in the bulrushes and the love his mother showed to him. Just like Moses was placed into the basket they placed a heart into their basket thinking about someone they love.

Last Sunday the Gospel reminds us about the value of being trustworthy people. We can show this by making good choices. While on earth, we are given 'free will' and God our Father trusts us to use it wisely. There may be times when we make a wrong choice, but we can trust that God is always there to help us start again. When we give God first place in our lives – using talents, our time and our money to serve God – we are blessed here and now, and can be certain that we will be rewarded in the life to come too.

We are trialling sending out our Newsletter electronically via SEESAW. If you still require a papercopy, please let a member of the office staff know.

Enjoy the weekend, Mrs Ralph
