

It has been a very full week in school with Bikeability sessions and 'Stay and Play' sessions amongst some of the things we have been doing. Miss Shutt has visited the junior classes observing maths teaching and learning and yesterday we had a specialist maths consultant in school who loved working with our children and listening to their vocabulary and language skills. Our Governors also visited school this week and enjoyed a tour of the school and seeing how engaged the children were in their learning. On Tuesday we had a Health and Safety Inspection and because of the exceptional hard work of Mrs Eakins and Mr Green we have been awarded a Gold Standard which is the highest grade we can achieve. It has definitely been a successful week!

**Accept and Respect
We are all different.**

Today we have celebrated our school Feast Day. This is a 'special day' for our school community. We started the day with Mass in church where we learnt about how St Michael was one of three Archangels. The Archangels were God's very special friends and strong and powerful. St Michael, led God's army of angels which is why in images and statues he is often seen with a sword in his hand. We are lucky to have a patron Saint who will protect us and we know we can pray to him for courage when we are afraid.

Please can you ensure you notify the School Office if you change your contact numbers especially mobile numbers. This week we tried to contact a parent regarding their child and none of the numbers we had on file worked. If there was an EMERGENCY it is vital that we are able to contact a child's next of kin.

FUSS are a local charity who recycle great quality, pre-loved school uniforms. Mrs Eakins has organised for us to have a designated collection box in school where families can donate uniform they no longer need or can use.

If any of our families wish to benefit from recycled uniform, you can contact the Birkenhead shop and they will sort what you need for free. You can visit the Wirral FUSS shop at 3-5 Borough Pavement (Opposite Lloyds Bank), in The Pyramids Shopping Centre, Birkenhead, CH41 2XX.

FLU Immunisation Programme – Please ensure you have completed the Flu Immunisation CONSENT form which was sent out electronically to parents via SEESAW. Flu Vaccines will be given to children in school on Thursday 2nd November. It can only be given to your child if you have completed the online CONSENT FORM. Please ensure this has been completed or the flu vaccine cannot be administered to your child.

Toast Club opens at 8:15am every morning and costs £1.60 per child. You do not need to book a place.

After School Club - If you wish to book an ASC place you can do this via the School Office or via Parentmail. All places must be booked and paid for in advance. The cost per session is £6.50.

Good Attendance at school is vital. We will not authorise any holidays during term time.

ALL DAY, EVERY DAY

We have had another busy week in school.....

I enjoyed meeting with our new School Councillors for afternoon tea & listening to all their ideas for the coming year.

This week Nursery class have been reading '10 Little Dinosaurs'. They have been counting, recognising colours and comparing sizes. They also went on a dinosaur hunt through school and found lots of foot prints, and helped some trapped dinosaurs get free!

Foundation 1 had fun making nature bracelets in Forest School this week.

Foundation 2, Year 1 & Year 5 have enjoyed Bikeability sessions this week. This training is designed to equip children with the vital life skill of being able to ride a bike safely.

F1 & 2 had a lovely first 'Stay & Play' session with their families on Wednesday. Thank you to everyone who came as it was a lovely opportunity to discuss and show you how well your children have settled into their new classrooms.

Enjoy the weekend, Mrs Ralph
