

It has been lovely to welcome the children back after the half term holiday. This is an incredibly busy half term as we move towards Christmas and all the festivities involved in this! We will be finalising our Christmas Play dates very soon and will send these out to you in good time. Please make sure you are aware of the non-uniform dates below which take place in the build-up to our Christmas Fayre.

This week we welcomed Mr Green to our school as our new Site

Manager. We are very

much looking forward to getting to know him better and working alongside him. He hasn't stopped all week and has already done so much so we are very sure that he will be a huge asset to the school. You will see him opening and closing the gates each day so I am sure he will become a very familiar face to you all soon!

# Empathy is...

seeing with the eyes of another,  
listening with the ears of another,  
and feeling with the heart of another.

This week in school.....Our Nursery class have been exploring the garden, collecting leaves, painting and tipping and pouring. In Forest School the EYFS children have enjoyed gathering materials off the ground to talk about, sort and attach to trees. They emptied the water catchers and dug in the mud pit.

Little Angels completed some great Halloween activities during the week. They have also loved playing games in Science and have been identifying, naming and comparing parts of their bodies. They worked in pairs spinning the wheel and making the body part selected from Playdoh.

In their liturgical prayer, Year 5 have thought about all those they know who have died. November is a special month of remembrance.

Our value of the month for November is UNDERSTANDING & EMPATHY.....

Empathy means... understanding what others are feeling because you have experienced it yourself or you can imagine experiencing it. You can put yourself in their shoes.

Empathy.

We must understand before we Judge

In assembly this week, we read the familiar Gospel story of Zaccheus the Tax Collector who climbed the tree to see Jesus. Zaccheus' life was dramatically transformed for the better after meeting with Jesus. Zacchaeus was sorry for everything he had done wrong and welcomed Jesus and then responded with delight and generosity. God's generosity is unlimited and offered to each one of us. Even knowing our faults, God invites everyone to experience the joy of his love and forgiveness – to make a fresh start with him and with each other.

Enjoy the weekend, Mrs Ralph
