

We have had another great week in school. This week we have taken part in the national 'Great Big

School Clean'. The 'Great Big School Clean' allows young people to take ownership over their local community, showing that they love where they live. Classes across the school were on a mission to collect as many bags of rubbish as they could!

Thank you to everyone who supported our Easter Fayre today.

The children had a great time and the Easter Bunny hopped in to say hello!

Mrs Brooks said goodbye to her lovely Year 1 class on Tuesday as she leaves to start her maternity leave.

We welcome Miss Bartlett who will be covering in Mrs Brooks' absence. She has been working in Year 1 this week and has enjoyed getting to know the children.

We will let you all know when we have news of Mrs Brooks' new arrival which we hope will be very soon!

**Upton Hall have asked us to share the following with parents/carers. Entrance Examination Application Form for parents whose daughter will be Year 6 in September 2024, is available on our website in the Admissions section click 'Arrangements for Admissions – September 2025'. The deadline for applications will be strictly adhered to which is 12 July 2024.**

Miss Clark led our whole school assembly this week and talked to the children about the Eco Warriors and School Council 'Kit Aid' Project. They want as many people as possible to donate old football kits that children may have grown out of. These will then be sent to children in the developing world who do not have access to such things. If you (children & grown-ups) have any football kits you are happy to donate, please bring them into school.

**This week in school...**

F2 had an amazing Forest School session on Tuesday. They baked 'piggy tail' bread on the campfire and enjoyed eating it with their homemade butter! They used natural resources to make shelters for the pigs from the story 'The Three Little Pigs' and enjoyed playing too.

Year 4 have been learning about the 'Stations of the Cross' during their RE lessons and discussed each one thoughtfully. They have created their own through art using oil pastels to extend images of each station.

Year 6 had a fabulous science session with Mrs Seed and Mr Swindells from Upton Hall. They were exploring organ systems and checking the location of their hearts!

Year 5 loved their Robot Olympic session with Hi Impact this week. They designed and built robots to compete in events such as the agility course, drag race and the last robot standing.

Year 6 have also worked with Mr Sledge this week thinking about equality, diversity and stereotypes.

**Sporting News.....**A number of Year 5 children enjoyed a wonderful Multi-Skills session at Woodchurch High this week. They were taught how to play Quidditch and Kin-ball by their amazing sports leaders.

Well done to Year 5 and 6 children who represented our school at the 'Activity for All' team building festival.

As part of our focus on Oracy and our 'Voice 21' project Mrs Young took some children to take part in a poetry festival with nine other Wirral schools. We met a real poet - Joseph Roberts and performed a poem for all the other schools. We didn't win but we had a brilliant time!

**Amazing attendance from Year 3 again this week.  
You can celebrate with the class cakes this week. Keep it up!**

**Attendance Matters**

This Sunday marks the start of Holy Week as we celebrate Palm Sunday. Palms will be handed out in Church in remembrance of the welcome and great praise that the people gave Jesus when he entered Jerusalem. As we grow in our knowledge and love of Jesus, it's natural to want to praise God. There are many things for which we can praise God (e.g. a loving family, good friends, caring teachers and for always having a good friend – Jesus – who loves us and never forgets us). Praising God brings happiness; it's what we were made for.

**Enjoy your weekend, Mrs Ralph**
