My child has come on a lot since joining this school. I am very pleased that the school is helping him along his learning journey.

I love the relationships the teachers form with my child and myself every year.

My child loves coming to this school and is doing well. I couldn't ask for better.

Thank you very much to the teachers and staff in St Michael and All Angels. With their love and patience my child has settled very well and enjoys every day in school.

Amazing school, all the teachers are amazing. I am very appreciative of the help and support I received with my younger child. Special thank you to the staff for their constant support and guidance.

St Michael's is a great school. The teachers are very supportive, and the school has a pleasant and positive atmosphere.

Great school with fab teachers and a wide range of sports and activities.

The quality of teaching and pupil support is outstanding. St Michael's has given my child the best possible start in school life.

My child has enjoyed coming to this school so far. He has come on so much and the staff are lovely.

My children are thriving at school and we only have positive things to say.

We are delighted with the results of our "Top 5" and are especially pleased that you value the school and would recommend it to other families. However, we are certainly not complacent, and we aim to continuously improve across all areas, especially those where we see our biggest challenges lie.

We acknowledge as always that we cannot always get everything right, but we really do genuinely try our very best and put your children at the forefront of any decisions we make.

Thank you all so much for your responses, they are so valuable to us continuing to improve our school.

Yours sincerely,

Mrs S Ralph
