As always, we take the results of our questionnaires very seriously. The vast majority of parents have agreed or strongly agreed with almost all questions. Our overwhelming priority in school is to ensure the children feel safe and happy so we are particularly pleased with the response to these questions.

**Thank you so much** to all the parents that responded & for your honesty. We are delighted with the overall results & the comments that have been left which included –

*‘Amazing school, my boys are happy. Teachers listen to our concerns and always act accordingly.’*

*‘The school is excellent and very supportive towards both pupils and parents. The staff are very friendly.’*

*‘My child loves this school!’*

*‘Thank you for keeping my little boy safe. He loves school and it is never hard getting him here.’*

*‘I feel that the school deals with all issues promptly.’*

*‘My child continues to progress. He is doing really well and we are really pleased with the excellent standards of teaching and opportunities offered to him.’*

*‘My daughter and our family really love this school. Great teachers and the work my daughter does is outstanding. Thank you!’*

*‘My children are thriving at St Michael’s. They are happy and confident and enjoy their school work. Their teachers are informative, supportive and kind. I couldn’t ask for more.’*

We acknowledge that we do not always get everything right but we honestly appreciate your kind words & thoughts.

Where parents have been unsure about questions linked to ‘bullying’ and ‘SEND’ we want to reassure you that the school always acts swiftly to deal with any concerns linked to bullying and if children has SEND, our SENCO (Mrs Bennison) works extremely hard to ensure the right support is in place for individual children. If however you are concerned about either of these issues, please do not hesitate to contact myself or Mrs Bennison.

The last 12 months at St Michael’s have been highly successful. Once again our Year 6 children have excelled in terms of the outcomes they achieved. The staff are committed and dedicated and I am extremely honoured to work with such a hard working team of people who all want the best for the children they teach.

If you ever want to discuss any concerns or have any questions, please do not hesitate to get in touch.

Yours sincerely,

Mrs S Ralph
