

**YEAR 1: Art and Design**  
**UK Flags**  
**Collage**

**What I should already know:**

Marks can be made using a variety of signs and symbols on a variety of types of paper.

There are three primary colours: red; yellow and blue.

Printing on various surfaces can be achieved using a range of implements.

Different fabrics, papers and accessories can be used to create and develop imagery.

<b><u>Vocabulary</u></b>	
Assemble	To put the materials together
Cut	To use scissors
Glue	The substance used to stick material together
Materials	Variety of paper, fabric, ribbons, etc used to create the art work.
Medium/media	The materials used to create the art work
Paper	Material on which we write or draw
Recycled materials	General household waste that can be used again to create another object
Scissors	Device used for cutting paper, card, fabric etc
Tear	A way of making pieces of paper smaller without using scissors

**By the end of this unit:**

Practise cutting, shaping and assembling a wide range of materials for specific affects

Select, sort, cut, tear and stitch and be able to discuss why I chose a specific material

Sort materials according to specific qualities—warm, cold, shiny, smooth

Be able to decide the best way to glue/attach materials to a selected surface
