Welcome to Year 6 – September 2020

Mrs Roberts & Mrs Salusbury

Teacher Teaching Assistant

Key points to remember:

- ❖ PE day is Monday- children should wear their tracksuit/PE kit to school.
- ❖ Homework is given out on Friday and due the following Monday.
- ❖ Reading should be daily at home. Children can read a book of their own or a school book and it should be recorded in their home reading record book.
- ❖ Children should bring in a water bottle and healthy snack each day.
- ❖ If you wish to contact the class teacher, use the seesaw message app. Messages will be replied to between 8am and 5pm. Please be aware, we can only check these before school, during break times and after school. For anything urgent please contact the school office.
- ❖ If your child walks to and from on their own (signed permission needed) they may bring a mobile phone with them which has to be handed in to the teacher at the beginning of the day. It will be locked in a secure cupboard and given back at home time.

SATS:

Year 6 SATS test will take place on Monday 10th May - Thursday 13th May 2021.

Residential trip to Ireland:

Tuesday 18th May- Friday 21st May 2021

Unfortunately, the trip for 2020 had to be cancelled due to the Coronavirus. We are hoping that the trip planned for 2021 will still be able to go ahead, but we will not know till later in the term or early Spring term. The dates have been booked, so keep fingers (and toes) crossed.

The cost of the trip will be £150 per child. We will not be asking for any money until we are certain the trip will proceed.

Thank you

Mrs Roberts and Mrs Salusbury
