

### **Message from the Head Teacher**

My name is Mrs Ralph and I have the privilege of being the Head Teacher at St Michael and All Angels Catholic Primary School. This is our School Website, which I hope you will find informative, interesting and useful.

At St Michael and All Angels Catholic Primary our vision remains rooted in our Mission Statement and our Christian faith. We have core values, which focus on high expectations for all learners, encouraging good self-esteem and developing moral values based upon the teachings of Jesus Christ. Our faith is precious and central to every part of our lives.

In our school we believe that all children thrive in an environment in which they are happy, challenged and secure: secure in the knowledge they are safe and cared for; challenged to achieve their best; and happy in the knowledge they are each appreciated for their individuality and their achievements.

We have high expectations of all our children in every aspect of school life. We endeavor to enable them each to achieve their potential through high standards of behaviour and quality learning experiences. We aim to enable them to develop self-confidence and independence, recognising that each and everyone has a part to play as a responsible member of our learning community.

Within our community, we welcome the parents and carers of our pupils, acknowledging the vital role they play in the education of their children. An active partnership and effective collaboration between home and school ensures our children are provided with a start to their life that they deserve as unique individuals.

Mrs S Ralph
