### This week in school

we have been raising awareness of 'Children's Mental Health Week 2020'. The children have taken part in a range of activities to promote the

importance of mental health. In Year 3, pupils took a little 'time

out' for reflection and self-care.

of 'Children's Mental Health Week'. They thought about a time when they had to be brave. The children had some amazing examples of bravery and thought about the feelings before and after facing their fears.

**Well done** to our pupils who played brilliantly in the Sainsbury's School Games Futsal Tournament at Tranmere Rovers.

**We are very lucky** to have purchased lots of new and lovely reading books that match the sounds we teach in phonics. Foundation 2 could not wait to take a look! Thank you to Mrs Young and her wonderful Year 5 helpers who have worked so hard to sort them all out ready for the children to use.

## Our value for February is **FREEDOM**

Freedom gives you responsibility to make choices. Freedom gives you the chance to think for yourself and to develop your own ideas.

We began the week in assembly sharing the book, 'We are all born free'.

We thought about how lucky we are to live in a country where we have the freedom and right to make our own choices, the right to an education, health care, to be protected by the law and respected by others. However, we learnt that with our freedoms comes responsibility to make moral choices.

We learnt that in 1989,

governments from across the world promised all children the same rights and freedoms by adopting the UN Convention on the Rights of the Child. Under the terms of the convention, governments are required to **meet children's basic needs** and help them **reach their full potential**. Imagine living in a country where a child's rights and freedoms are not

respected.

There are lots of books about **FREEDOM** that we will be reading over the month in school. Can you find anymore

**Every child has...**

...the right to be **respected**  
...the right to **dream**  
...the right to be loved and **cared for**  
...gifts that should be recognized and **valued**  
...the right to achieve their God-Given **potential**  
...the need for **unconditional love**

If you ever have any concerns or worries, do not hesitate to speak to your child's class teacher, Mrs Young, Mrs Bennison or myself.  
Enjoy your weekend, Mrs Ralph
