Thank you to all the parents who completed the questionnaires over the two evenings. We will report the findings over the next week.

Our Value for October is.....

RESPONSIBILITY

Year 6 are taking their roles and responsibilities as reading buddies to our younger children very seriously and have got off to a flying start!

Responsibility is doing the things you are expected to do and accepting the consequences (results) of your actions. Take a look at these websites to learn more -

Thought for the week.....

Outdoor Learning

Year 2 had a wonderful day learning outdoors in the forest area. They learnt lots of important skills & worked well as a team, being responsible for their own learning. They even finished their day off with a camp fire and thought about the importance of fire safety.

Reminders.....

Please return all school photograph orders to school by Wednesday 17th October. We are unable to take orders after this date.

The staff car park must NOT be used by parents at any point during the school day. We have had a number of occasions recently where staff need to leave to go to a meeting and have been blocked in by parents.

If you ever have any concerns, worries or suggestions please do not hesitate to speak to your child's class teacher, Mrs Bennison, Mrs Young or myself. Thank you for your continued support.

Mrs S Ralph
