CAMHS WORKSHOP – ‘Helping Your Child Thrive’

We are very lucky that CAMHS have agreed to run a parent workshop between 9:15am and 10:45am on Monday 23rd September in the School Hall. The workshop is called ‘Helping Your Child Thrive’ and is about helping you as parents to support your children develop resilience and positive emotional well-being. This is a wonderful opportunity to work with medical professionals who are experts in this field. Everyone is very welcome so please come and join us. We will provide tea and biscuits!

Our Value for September is.... **RESPECT**

Definition: When we act in a way that shows we care about others.

We are learning at school about the importance of treating others with respect even if we sometimes do not agree with the way they behave or the things they say. We have also been thinking about how we should treat the things that belong to us and to other people respectfully.

We started the week in assembly thinking about how we

show respect in school by the things we do, the way we behave and the way we treat others. It has been lovely to walk around school and see children showing 'respect' in the way they behave.

**TREAT
OTHERS**
the way
you
want to be
TREATED.

What could happen when people don't show respect to each other?

We have found lots of stories about **RESPECT** that we will be sharing with the children over this month. Can you think of anymore?

Thought for the week.....
