**THANKYOU to all our parents/carers who attended parents evening.**

## Parents as Partners

We hope you found the meetings useful and informative. It is very important to us that we develop strong and positive partnerships with all our parents/carers as you can play a vital role at all stages of your child's education. Although we only formally have parent/teacher meetings three times a year, please feel free to make an appointment with your child's teacher or myself to discuss any concerns or issues you have. We can only resolve or support you with something if we know about your concern. Thank you also to all the parents who completed the questionnaires over the two evenings. We will report the findings over the next week.

**THANKYOU** so much for all the donations for the Wirral Food Bank. We are overwhelmed by your generosity. We will be choosing some of our children to take the food with Miss Clark to the Food Bank next week.

## Team Work

We always like to celebrate great team work at St Michael's and Year 5 have demonstrated this when they played netball in their "inter-house" teams.

## After School Clubs

Next week we will send out a clubs letter for after the half term holiday. All clubs will start straight after half term and will run for 5

weeks. Due to Christmas events there will be no after school clubs during December.

## Year 2 Class Assembly

Our Year 2 Class Assembly will now take place on Wednesday 8<sup>th</sup> November at 9:15am. We apologise for postponing it but it is due to on going work on the school roof resulting in the school hall being out of bounds.

## Weekly Attendance

It is great to see lots of children in school every day, on time.

Congratulations to F2 for having the best attendance this week –

Foundation 2 – 99%

Year 1 – 94%

Year 2 – 93%

Year 3 – 93.3%

Year 4 – 97.7%

Year 5 – 92%

Year 6 – 96.3%

If you are experiencing any difficulties getting your children to school on time each day, please talk to our Pastoral Care Worker, Mrs Hughes, who is here to support you.

## Website Updates

Our website is regularly updated with all our latest news. You will also find up to date policies and performance data.

Our 2016/17 Foundation 2, Phonics Screening, KS1 and KS2 Data is now available on our website. Please take a look and see how we compare to other schools in the Local Authority and nationally.

## Homework

Homework is an important example of cooperation between school and parents/carers. We are always delighted when we see children have worked hard at home. Last week one of our F2 pupils wowed her teachers with her homework! She had done a wonderful job at home of drawing around her big brother and labelling the body parts! We have updated our homework policy on our website so you are clear about what we expect in school and support us appropriately at home.

If you ever have any concerns, worries or suggestions please do not hesitate to speak to your child's class teacher, Mrs Bennison, Mrs Young or myself. Thank you for your continued support. Mrs S Ralph
