

Important dates to remember.....

Thursday 21st June – Year 1 Art Day with Ian Fennelly

Friday 22nd June – Year 2 Class Assembly – 3pm

Summer Fundraiser!

For a variety of reasons, we are not having

a Summer Fayre this year but we do not want to miss out on the opportunity to do some very important fundraising for school! Our Foundation 2 playground is in desperate need of new tarmac and we are trying to raise funds to develop outdoor play provision across the school. So instead of a Fayre, this year on Friday 29th June, we will be holding a special 'Healthy Living' Fundraising Day. Lots more details will follow next week! Please help us in your support of this as you always do.

Weekly Attendance

Foundation 2	97.3%
Year 1	96.0%
Year 2	89.5%
Year 3	93.7%
Year 4	92.7%
Year 5	95.4%
Year 6	90.0%

There have been a number of requests for 'leave of absence' for holidays. Please remember holidays will not be authorised during term time. The time out of school will have an impact on your child's learning and their progress.

Thank you to all the Foundation Stage parents who attended the 'Stay and Play' sessions this week. We greatly value your support.

shared their work, talked about how they made them and have evaluated their appearance, build and functionality.

Congratulations

to the children who have been chosen to be behaviour ambassadors in Foundation 2, Year 1 and Year 2 this week.

Thank you

again to the great response to the holiday homework in Year 2. This week the children have

Year 3 have been learning about Ancient Egyptian writing in class this week. They have written their names in Hieroglyphics.

General Reminders

Twitter, Facebook & School Website Remember you will find lots of information on here – including dates for the diary, curriculum information and video clips posted by individual teachers to help you support your children at home.

PARKING –

Please be considerate of others when parking at the beginning and end of the school day.

PE Kits & Water Bottles - All children must have a PE kit and water bottle in school each day. This is particularly important now in the summer term as they will be practising lots for sports day!

If you have any concerns or worries, do not hesitate to speak to your child's class teacher, Mrs Bennison, Mrs Young or myself. Mrs S Ralph

Our Value for June is

RESILIENCE

How can you help to teach your child about resilience?

- Model sticking at things even when they are challenging
- Talk about how you feel when taking on challenges
- Praise your child when they persevere, but also encourage them to take a break when they have had enough
- Help them to find activities that are really absorbing
- Talk to them about how to concentrate and manage distractions.

10 best phrases to teach **resilience** to your kids

1  Goal Humour Phrase "Come on, laugh it off"	2  Goal Contain thinking, perfectionism and anxiety Phrase "Don't let this spoil everything"	3  Goal Distraction Phrase "Let's take a break"	4  Goal Handling worry and asking for help Phrase "Who have you spoken to about this?"	5  Goal Offering hope Phrase "I know it looks bad now but you will get through this"
6  Goal Positive reframing Phrase "What can you learn from this so it doesn't happen next time?"	7  Goal Acceptance Phrase "Don't worry - relax and see what happens!"	8  Goal Perspective Phrase "This isn't the end of the world"	9  Goal Flexible thinking Phrase "You could be right. But have you thought about ... "	10  Goal Taking action Phrase "What can we do about this?"

kidspot

How have we demonstrated resilience in school this week?

In Year 1, the children had great messy fun conducting another science experiment, but more importantly the children demonstrated a mature and resilient nature. They learnt if at first you don't succeed, try, try again!

Foundation 2 led us in the most wonderful assembly about resilience. They told us the story of Gerald the Giraffe who showed resilience and never gave up. They also shared the Gospel story of 'The Paralysed Man' - his friends showed great resilience and never gave up when they were trying to help their friend see Jesus.

This lovely little girl in Y2 wrote her own story about resilience at home. The story

was about a lion who showed incredible resilience!

'Little Angels' have demonstrated great resilience when making Dream

Catchers this week. They found it very tricky but they did not give up!

In the Science labs in Upton Hall, Y5 had to show resilience when trying to solve some very tricky clues.

F1 show resilience when attempting new maths challenges. Look at how proud they are of themselves when they achieve them!
