Weekly Attendance

Congratulations to Year 6 for having the best attendance this week! Overall attendance has been poor this week, with no class being over 95% - this is a cause for concern and needs to improve.

Foundation 2	93.0%
Year 1	86.5%
Year 2	90.8%
Year 3	94.0%
Year 4	88.7%
Year 5	88.5%

Year 3 had a wonderful trip to the Gillmoss recycling and discovery centre in Liverpool. They learnt how important it is to **REDUCE, REUSE AND RECYCLE**.

Thank you to all the parents who attended the EYFS parent workshops and to the staff who led them and go to a lot of effort in preparing such worthwhile sessions. These sessions are an important way of school and home working in partnership and we really value your attendance.

Twitter and Facebook

Please remember to look at 'Facebook' and 'Twitter' where you will find some new teaching videos posted by our EYFS teachers to support learning at home. You will also find a number of photos linked to the learning activities children across the school have taken part in.

"So remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what makes a universe exist."

Be curious.

And however difficult life may seem, there is always something you can do and succeed at. It matters that you don't just give up."

FREE online safety workshop for parents & carers

Muddled by Minecraft or rattled by Roblox? NSPCC and O2 are running an hour-long interactive workshop with tips, tools and advice on how to keep your child safe online. Talking about online safety with your child doesn't need to be difficult –build your confidence to have those important conversations, get to know your child's online world and learn where to go for help and advice. The workshop will take place at **2pm on Tuesday 20th March**. Don't miss out on this great opportunity!
