

Next week....Monday 20th November – Year 3 Bushcraft Day
Friday 24th November – NON UNIFORM in exchange for £1

It has been incredibly busy in school this week.....

The week started with an assembly led by Miss Clark focusing on antibullying week.

Over the week the children have taken part in a number of activities to promote anti-bullying. In Year 3 they played a special friendship web game, which looked like great fun!

In Year 5 they have created special masks and became bully busters to fend off bullies.

Aspirations Day was all about aiming high and making the children believe that with hard work and determination they can achieve their dreams.

The day was a huge success and the children learnt about lots of different jobs and vocations.

Thank you for supporting the day and dressing your children up in the most amazing outfits. The range and variety was incredible and it was wonderful to hear some of the children talk passionately about what they want to be. Jobs included solicitors, astronauts, hairdressers, foster carers, police people and even the prime minister!

Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars and to change the world.

Also this week....Year 6 went to visit the local war memorial and left the poppies they had created as a mark of respect.

Year 5 met a very special lady who came to talk to them all about her memories of World War II. They were enthralled!

And Year 3 in their topic work have been learning about Anglo-Saxons.

After School Clubs

Extra curricular clubs will run as normal this week. Please ensure you collect your children promptly at the end of clubs. THERE WILL BE NO AFTER SCHOOL CLUBS RUNNING DURING DECEMBER.
