Key Stage 2, led by Year 6

performed the play 'Rock Bottom'. It takes enormous confidence to get on a stage and perform in front of a big audience and we are very proud of each and every one of them. Each year the staff work

incredibly hard to put these shows together and give up an enormous amount of

time to create scenery and props as well as sorting music, dances, acting etc.

PARKING – PLEASE DO NOT DRIVE OVER THE GRASS & PARK ONLY IN DESIGNATED BAYS.

Foundation

1 & 2 had a fantastic 'Fun Day' on Wednesday. The children loved every minute...enjoying

their very own party bus, ice cream van, bouncy castle and soft play! Take a look at all the

wonderful pictures on our Twitter feed and Facebook Page where you can see how much fun they had!

Year 1 completed their collaborative work designing a new playground. Miss Shutt judged the designs and everyone agreed the winning design was fantastic and definitely a playground they would all like to visit.

'Little Angels' enjoyed a trip to 'Imagine That'. They took part in lots of different activities and had a wonderful day out!

Year 2 visited Thurston Beach yesterday and thankfully the weather stayed dry! The sandcastle competition proved very competitive!!!!

On Monday, Year 2 took part in a wonderful cross-school community day. The concept of the day was to bring all our North Birkenhead Cluster Schools together to focus specifically on encouraging respect, pride and sense of community. A 'blue heart' was chosen as the symbol of the day with the meaning of 'trust, peace, loyalty and a deep and stable love.' In the morning each school conducted work in our immediate localities. Year 2 chose to do a 'litter pick' in the area around school. They said they wanted to 'clean up where we live!' They could not believe how much rubbish they found.

In the afternoon, they left for Birkenhead Park where they met with our local schools to take part in a range of activities which included contributing to the creation of a large blue heart that will hang in the park gallery alongside all the different schools art work. The children also met the Deputy Mayor who praised their

community work before finally taking part in a community sing song of 'A Million Dreams'. We are so proud of our children for taking part in such a wonderful day!

Courage doesn't mean you don't get afraid. Courage means you don't let fear stop you.

Our Value for July is **COURAGE**.....

Can you think about people from history, people from the present day and people all around us who show courage? How do they inspire you to be braver yourself?

'Sometimes the biggest act of courage is a small one.'

Throughout this month, we have watched with pride the children showing amazing courage to try new things, whether this be new foods, new experiences or challenges. Some children have also overcome fears and shown real bravery.
