

Important dates to remember.....

Thursday 28th June – Reports out to Parents

Friday 29th June – Whole School Mass in Church – 9:15am

Friday 29th June – Summer Fundraiser ‘Healthy Living Day’

SUMMER FUNDRAISER

Next Friday we will be holding our Summer Fundraiser event, which we are linking with ‘Healthy Living’. All children have been sent home with a sponsor form to collect sponsors for the activity they will be taking part in. There are prizes for the children who collect the most sponsors! EYFS, Y1 & Y2 are also holding an additional competition relating to ‘food art’. Over the day the children will be taking part in a range of ‘healthy living’ activities and we hope everyone will have lots of fun! Next week, each night after school, we will be selling a range of items linked to healthy living. The items that we will be selling are all brand new and include hula hoops, footballs, flying discs, bouncy balls, skipping ropes etc. The price of individual items will range between 50p and £2. This will massively support our fundraising efforts. We are currently raising funds to improve our EYFS outdoor area and to buy more equipment for our children to use at play and lunchtimes.

FOREST AREA.....

As part of the work we are doing to improve our outdoor area, we have continued to work on our forest area, which is looking amazing. It is being well used by classes!

Year 1 had a wonderful Art Day with Mr Fennelly and have produced some fantastic pieces of art work, which we can't wait to display! Thank you to all the parents who came to help.

Class Photographs – If you would like to purchase a class photograph, please pass your order into the school office as soon as possible.

Water Bottles – We sell water bottles in the school office. They are 30p

Life is not
about how
fast you run,
or how high you
climb, but how
well you bounce.

School Mission Statement

Our School Council met this week to discuss the three proposed options for our new Mission Statement. They all voted and their votes will be added to the parent votes and will be taken to Governors on Monday. We look forward to sharing our chosen ‘School Mission Statement’ with you very soon!

Weekly Attendance

Congratulations to F2 for having the best attendance this week!

Foundation 2	99.5%
Year 1	88.0%
Year 2	88.2%
Year 3	86.5%
Year 4	85.7%
Year 5	88.9%
Year 6	88.2%

Our Value for June is...**RESILIENCE**

What greater example of resilience is there than the World Cup that is happening in this month of June? In every match that they play, the greatest football players from across the world are having to demonstrate resilience!

I am sure lots of you watched England play against Tunisia on Monday night. Following the match Gabby Logan the commentator described the players as being very resilient and admired the fact that they never gave up and kept going until the final whistle blew. It made me think about how players and coaches collectively withstand pressure – the notion of team resilience – is a hallmark of great teams!

Gareth Southgate, the England Manager, said in an interview before the match - "For the first five minutes of the opening game anything can happen but it is not going to decide whether we go through in the group or not. We have got to be mentally strong enough not to get carried away if we start the game really well and also if we have a setback in the first five minutes of a game, an injury or something like that we have to keep going. That is the **resilience** you have got to have."

This opening England game is a great example of resilience – don't give up, keep going and bounce back if things aren't going your way! Let's hope England continue to show great resilience throughout the tournament!

We love this way of thinking of resilience with the children in school.....

Have a look at it with your children - do we remember all these things every day?

Don't forget to stay up-to-date with all our latest information and dates for the diary via our website, twitter page and facebook page. You can find us at www.smaaawirral.com

If you ever have any concerns, worries or suggestions please do not hesitate to speak to your child's class teacher, Mrs Bennison, Mrs Young or myself. Thank you for your continued support.

Mrs S Ralph

Remember you are good enough

Everyone is different

Stop comparing yourself

Individuality rocks 🦋

Learn something new daily

Involve yourself in what you love doing

Enjoy things that make you happy

Not everyone can be 1st, 2nd, or 3rd

Care about yourself and others

Expect that some days won't be great
