This week in school.....

Year 1 were visited by a history specialist who led an exciting workshop focusing on 'The Great Fire of London'.

They explored artefacts from Samuel Pepys' house and tried to guess what the objects were and what they were used for.

They discussed the materials the houses were made from in 1666 and used play dough to create a wattle and daub effect.

Year 3 took part in a Bushcraft Day and had a wonderful time.

They learnt a range of skills including how to tie knots and build shelters.

The benefits of learning outside are enormous and one of the loveliest things we have seen is how well the children work together as teams and learn from each other.

Life is like a mirror: It'll smile at you if you smile at it.

Year 5 had another fantastic afternoon at Woodchurch High, learning about separating mixtures.

Year 3 learnt lots of new skills in their PE lesson led by 'Cheshire Cricket'.
