

Monday 29th April – Year 5 Trip to Colomendy

Tuesday 30th April – Year 2 Trip to Chirk Castle

Wednesday 1st May – Year 3 Trip to Liverpool Museum

Friday 3rd May – Year 1 Class Assembly at 3pm

It has felt like a strange start to the summer term

because of the two 4 day weeks! The children however have immediately hit the ground running and are all working incredibly hard. This week I have been monitoring work in Foundation Subjects so looking at learning in History and Geography and Art etc. and I have been so impressed by the children's knowledge and understanding!

Thank You - At the end of last week, we received a beautiful card from the family affected by the recent house fire. They wished to express their thanks to you all for the very generous donations and good wishes that they have been sent.

Summer Term Dates –

Please look at the calendar and Events Page on the school website to see a list of all the important events/dates coming up this term.

I have been so impressed

by the models of the 'castles' the children in Year 2 have been creating at home. The

children's knowledge and understanding as they have demonstrated their designs has been wonderful to see. Thank you to all the parents who have supported their children with this project. You can see all the incredible designs on our twitter feed.

Year 3 were also set a holiday homework challenge of researching about their new Ancient Egypt topic. Again, they have amazed us

all with what they have learnt. Thank you again to all the parents who have supported their children with their work.

The plants are starting to grow in our beautiful grounds and we are in the process of looking at ways to further develop our outdoor

learning areas. 'Little Angels' have started the summer term successfully with 'team work' as they have been

working on planting lots of different seeds in our vegetable patch. We can't wait to watch them grow! We are now really hoping that the sun continues to shine and we can all enjoy the use of our beautiful outdoor areas.

Attendance -Congratulations to Class 5H for having 100% attendance this week and for winning the cakes! Remember to be in school on time every day.

F2 – 92.8%	Year 4 – 88.7%
Year 1 – 92.4%	Class 5B – 96.7%
Year 2 – 92.3%	Class 5H – 100%
Year 3 – 98.9%	Year 6 – 95.4%

Today is
a gift of God.
Be thankful.

Our value of the month is.....**APPRECIATION**

- * Appreciation means not taking things for granted.
- * Appreciation means thinking of people who contribute to our lives.
- * Appreciation means thinking of the world we live in and the beauty of nature.
- * Appreciation means seeing afresh the familiar things in our lives – things that we can hear, breathe, see and touch and being grateful for them.

There are lots of stories about APPRECIATION which we will be sharing with the children in school this month.

QUOTES
WE ARE
THINKING
ABOUT....

Try this **GRATITUDE** challenge...

Gratitude Scavenger Hunt for Kids

1. Find something outside you enjoy looking at
2. Find something that is useful for you
3. Find something that is your favorite color
4. Find something you know someone else will enjoy

16. Find a friend/pet that you love spending time with
17. Find your favorite place to spend alone time
18. Find something that reminds you of the people you love
19. Find something that you enjoy doing outside with friends
20. Find a place that you love

"Being told you're appreciated is one of the simplest and most uplifting things you can hear."

—Sue Fitzmaurice

Piglet noticed that even though he had a Very Small Heart, it could hold a rather large amount of Gratitude.

When some things go wrong,
take a moment to be thankful
for the many things that
are going right.

"Appreciate what
you have,
where you are
and who you
are with in
this moment."

Tony Clark
