**This week in school we have introduced our new value of the month.....RESILIENCE!**

Our focus has been on having a positive attitude, not giving up and bouncing back from disappointment. Please turn over to learn more.

**AMAZING NEWS!!!!!!!!!!**

We have had the wonderful news this week that for the second consecutive year, the school has been awarded the 'GOLD School Games Mark'! The School Games Mark is a Government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. I am very grateful to Mr Hinds who has worked incredibly hard to continue to raise the profile of competitive sport across the school whilst promoting healthy lifestyles and the importance of regular exercise. Children from many year groups have represented us in numerous competitions and this has all been used as evidence towards achieving the Gold award. We are very proud of what has been achieved!

**Also this week.....** F1 & F2

celebrated 'Butterfly Awareness Day' by helping to make a 3D sculpture of 'A butterfly life cycle'.

Their completed work is now displayed in school & is wonderful!

**Our Year 2 children**

have produced some amazing homework ready to start their new 'Sun, Sea and Sand' topic. There are too many wonderful examples to fit on this newsletter but please take a look at them all on our twitter and facebook page.

**Well done**

to the children who represented us in the

Boccia competition and came 4<sup>th</sup> out of 19 teams!

**Please**

remember in this warm weather to apply

suncream to your children before they come to school.

**Movie Night**

was a huge success! Thank you for supporting it & thank you to the staff for giving up their time to do it.

## Our Value for June is.... **RESILIENCE**

### What does resilience look like?

#### People who show resilience:

- Bounce back from disappointment.
- Carry on against the odds.
- Put on a brave face.

#### People who show resilience realise:

- You should focus on the future.
- Having a positive attitude helps you to succeed.
- Not giving up helps you to feel proud of yourself.

#### People show resilience by:

- Believing in themselves.
- Having a positive and stoic attitude.
- Bouncing back from disappointment.

Each month, a different class will be responsible for updating our values display in the hall. This month it is Year 6's turn and what a wonderful display they have shared.

There are lots of stories about resilience that we will be sharing with the children over this month. If you find anymore, please let us know!

Have you ever watched Kung-Fu Panda and thought about the story of the Crane from the film? If you don't know it, please do view it using the link below and discuss with your

child/children what resilience means to you and how it can be shown in many different ways.

## Thought for the week.....

## We started the week in assembly

thinking about what 'Resilience' means and how we show resilience. We read the story 'Salt in Your Shoes' and thought about how this story demonstrates resilience. There are also lots of stories in the Bible that demonstrate resilience including the story of 'Joseph' in the Old Testament. We also thought about how an elastic band is a good way of thinking about resilience because whatever shape you stretch it into, it will always bounce back!
