**On Tuesday, Year 6** took part in a wonderful 'Light of Faith' Retreat Day led by the Shrewsbury Diocese Youth Ministry

Team. We hosted our neighbouring schools from the Birkenhead Deanery. It was a very special time when we reflected on our time in primary school and looked ahead to the future.

## Sports Day –

Well done to all the children for their enthusiastic participation

during Sports Day. Everyone tried their very best! Thank you to all our families who attended and to Woodchurch High who hosted the morning's event.

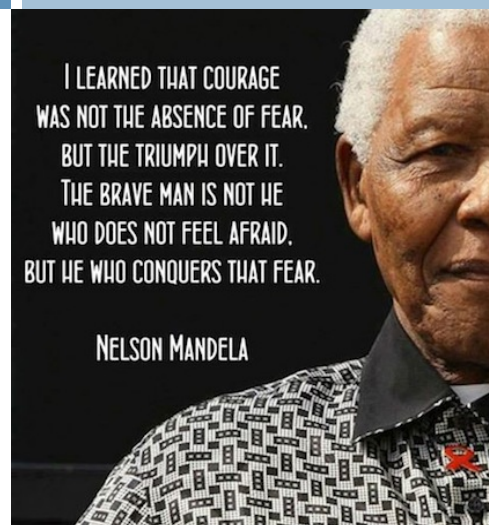

## Sporting Opportunities.....

There have been lots of sporting opportunities over the last

few weeks. Children in Year 5 have had an amazing time learning to play kin ball. Another group of children enjoyed the opportunity to play tennis at Woodchurch High....we were looking for future Wimbledon stars!!!!

I LEARNED THAT COURAGE  
WAS NOT THE ABSENCE OF FEAR.  
BUT THE TRIUMPH OVER IT.  
THE BRAVE MAN IS NOT HE  
WHO DOES NOT FEEL AFRAID.  
BUT HE WHO CONQUERS THAT FEAR.

## Our Value for July is..... **COURAGE**

*Courage is being brave, facing your fears & keeping going no matter what.*

What does courage look like?

People who show courage:

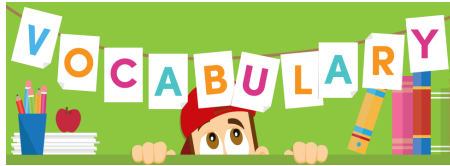

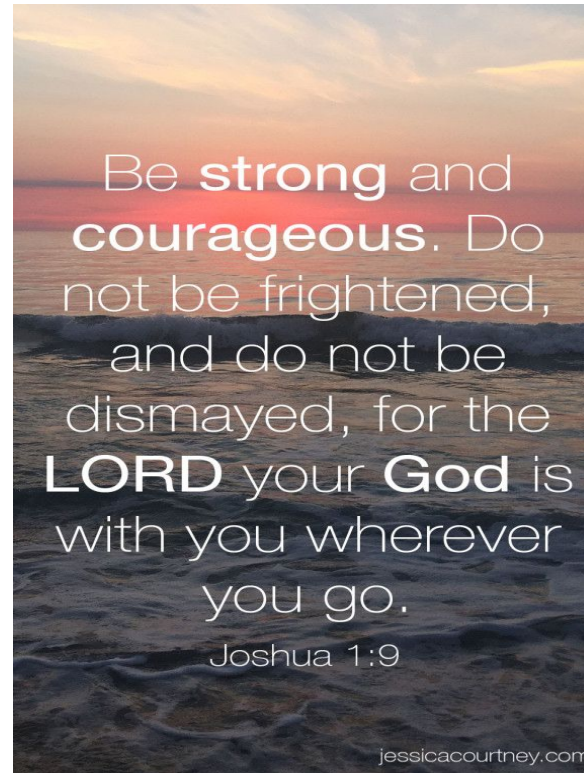

- Face their fears
- Keep going even when they feel afraid and are brave.

People who show courage realise:

- That it's okay to feel afraid.
- Being courageous means having fears that you overcome.
- You need determination to face your fears.

People show courage by:

- Being brave and facing their fears.
- Having the determination to keep going even when they are afraid.
- Recognising they feel afraid and carrying on regardless.

**Related words: audacity, determination, bravery, daring, fearlessness, tenacity, grit, fortitude**

**Values activities to try at home with your family:**

- Learn to do something new – swim, knit, cycle.
- Do something difficult and solve a problem or puzzle. Help someone else solve a problem or a puzzle.
- Keep at a challenge even though it is tricky.
- Teach a friend to do something new or try to do something new with your family.
- Find out about somebody in history or a sportsman who showed great courage.
- Eat a new food that you have never tried before.
- Try a new sport.
- Talk about your fears i.e. scared of the dark. How can you help yourself show courage in these situations?

In school, we will be learning about 'courage' over the next month. We will look at examples of people in history who have shown courage and reflect on times when we have been brave examining how that made us feel. It is important that we stress that bravery doesn't just relate to physical fears but also to daily words and actions such as being honest and owning up to something even when you know you will be in trouble or standing up for what you know is right even when friends are against you.
