

Autumn Term Report from School Council – 2019

Comments from School Councillors

I really enjoyed voting today. We were able to vote for which person we wanted to represent our class. We gave our full name in on our way into the Polling Booth. We then put our votes in the Ballot Box for them to be counted. We will find out who wins the vote on Monday in assembly.

Jacob

We are collecting Aldi Stickers for the chance to win £20,000 and a school kit for our school. I have created a poster to remind parents and children to bring them in. Miss Clark put it up in the reception area for everybody to see.

Holly

We have been collecting lots of different food donations for people who need help. Everyday school council take the donations down to the infant hall. We count them and write the total number of donations for each class on the clip chart.

Bliss

Year 2 are the smallest class and have brought in the most donations! They have won a special treat.

Dotty

We have been working together in our school council meetings to plan activities for Anti Bullying Week. We created a Kindness Challenge for World Kindness Day and are going to celebrate being one of a kind on Odd Sock Day.
